SUMMERQUEST FOR ADULTS

Highlighting a Valued Volunteer

Libraries and Football – Two Reasons to Cheer

When I asked Mindy Marciano what she likes best about volunteering at the library, she said greeting people at the desk and finding out what they like to read. One favorite family, The Remmeys, borrow lots of books and she always enjoyed finding them for their youngest readers.

Mindy, who is celebrating her 7th year at Red Land Library, also trained as an Identogo agent, when the library offered the fingerprint service. She helped with the move from the old location to our current building in 2018. She likes to read murder mysteries, especially David Baldacci, and his Camel Club series.

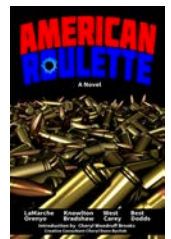

An avid Buffalo Bills fan, Mindy still visits her hometown of East Aurora, NY, to attend Bills' football games with family. She has a son and daughter, and four grandchildren, who are close by – and, most importantly, all avid Bills fans. When she is not helping at the library, Mindy can be seen cheering for soccer, football, or school concerts for her grandkids. While Mindy says, "Go, Bills!", we say "Go, Mindy!" Thanks for your commitment and devotion to Red Land Community Library.
