Visit Our Pollinator Garden

LOCATED IN THE LIBRARY'S REAR COURTYARD

Created and maintained by the Hanover Garden Club, our beautiful garden not only provides food and habitat for native insects/animals but it's the perfect place to relax with a great book and enjoy the summer weather.

Pollinators provide the pollination needed to protect our plant diversity and food sources. By conserving the pollinator habitat, we help support a healthy ecosystem for our community and our future.

ADVENTURE BEGINS AT YOUR LIBRARY™
