SHELF INDULGENT BOOK CLUB

Our evening book group meets the first Thursday of each month at 6PM. We will not meet in July, but our next meeting will be in August to discuss

The Confidante by

Christopher C. Gorman

New members are always welcome!

AFTERNOON BOOK CLUB

Our new book club meets the first Wednesday of the month at 2PM

July's selection is

When Breath Becomes Air by

Paul Kalanithi

August's selection is

The Only Woman in the Room by

Marie Benedict.

New members are always welcome!

BIRDING BASICS

Summertime is a great time to get out and go birding, so let us learn from an expert.

The library will present a program on local birds with Dr. Dennis Kirkwood on July 17th at 6:30PM

Dr. Kirkwood is a native Harford Countian who still lives on his seventh-generation family farm known as Newark Farms. Holding degrees from McDaniel College, Northern Illinois University, and the University of Maryland, his first serious encounter with birding was with a college level course in his graduate years. He is the past president of the Harford County Bird Club and a member of several environmental associations. He and his wife Jean have conducted birding trips throughout the New World Tropics and within the United States.

Dr. Kirkwood has documented birds on seven continents, identified five "first sightings" and 303 different species of birds in Harford County.

Dr. Kirkwood will share his knowledge at this Third Wednesday Series program.

T-SHIRT TUESDAYS

Please join us this summer for T-Shirt Tuesdays. Show your library love by wearing a book related shirt on a Tuesday. Don't have a book related T-Shirt? No problem, simply wear a T-Shirt which reflects what you love. Chances are we have a book in the library that supports your passion.

Whether it is gardening, race cars, pets, dinosaurs, cooking, or anything in between, we serve your interests. We would love to see you in person or you may share your pictures on our Facebook page.

ADVENTURE BEGINS AT YOUR LIBRARY! SUMMERQUEST

Registration for a fun-filled summer began May 19th and June 1st was the first day of SummerQuest and Go York!

Come to the library to pick up your registration packet, Hiking booklet and rubbing sheets. If you don't have a library card, now is the time to get one. There is fun all summer long for all ages! Prizes are given at 200 minute intervals with the goal of 800 minutes.

Mystery Mosaic!

All ages are invited to help complete our "mystery" mosaic poster. Everyone may "paint by pixels," but with stickers. Grab some stickers and check our color key. Each week will reveal more of the design.

Help discover the mystery mosaic!

Our Summer Submarine Sets Sail for Adventure!

Each week our submarine will magically travel around the world and maybe beyond. Come to the library on Mondays to see the clues for its destination and then search for that location's Adventure Animal hidden in our Children's Room. Find the animal, receive a treat and an Adventure Ticket. All Adventure Tickets will be entered into a drawing at the end of SummerQuest for a LEGO submarine. Have fun & good luck! Calendars of our SummerQuest events are available now.

SUMMER BABY TIME

Born to Read Story Time will begin Thursday, June 6th at 10:30AM.

Baby Time is held each week throughout the summer ending on August 15th.

Join Miss Carol for stories, music, Fingerplays, and Fun!

Siblings are always welcome!
