GLATFELTER LIBRARY HONORS

Honoring Patricia Lobodinsky

Patricia Lobodinsky has always been devoted to the service and benefit of others. She has worked in the healthcare field for various organizations, including the Lutheran Home, the York Health Care Corporation, and the Visiting Nurses of Spring Grove/Hanover.

Now in her retirement, she continues to serve as a hospice volunteer and is on the Executive Board of the Windy Hill Senior Center in Spring Grove. Pat was on the first Board of Directors of the Glatfelter Memorial Library formed in 1992 and remained on the board for 10 years. She was instrumental in the decision making for the construction and development of the new library building after its move from the Hoke House. Today, Pat remains committed to having a community library that offers knowledge, technology, children's programs, movies, audiobooks, a place to volunteer, a safe place to meet and so much more. She has made it a lifelong priority to serve others by being committed to the future of Glatfelter Memorial Library and the surrounding community of Spring Grove.
